simply looking to reconnect with nature, Woodbury Lodge promises an experience you'll never forget.

Stay in a beautifully appointed **Safari Tent**, where the charm of traditional safari living meets modern comfort. Wake to the sounds of birdsong, enjoy your morning coffee while overlooking the African bush, and experience the thrill of sleeping beneath canvas without sacrificing luxury.

Every day begins with an exciting guided game drive led by experienced rangers who know the reserve intimately. Search for the legendary **Big Five**—lion, elephant, buffalo, rhino, and elusive leopard—as well as giraffe, zebra, cheetah, antelope, and an abundance of birdlife that thrive in this diverse ecosystem.

As the sun begins to set, head out once again for an afternoon safari when wildlife becomes even more active and the African landscape glows with golden light. Every game drive is a unique adventure, offering unforgettable encounters and spectacular photographic opportunities.

Between safari experiences, savour delicious meals prepared with fresh local ingredients, relax at the lodge while taking in panoramic views of the surrounding wilderness, or simply enjoy the peaceful atmosphere that makes Amakhala so special.

More than just a safari, Amakhala represents one of South Africa's greatest conservation success stories. Once farmland, the reserve has been lovingly restored into a thriving wildlife sanctuary where conservation, community, and sustainable tourism work hand in hand to protect Africa's incredible natural heritage.

Whether it's your very first safari or another exciting African adventure, Woodbury Lodge offers the perfect combination of comfort, exceptional wildlife viewing, and warm South African hospitality.
