Nestled on the tranquil banks of the Zambezi River, just five kilometres upstream from the magnificent Victoria Falls, this elegant four-star lodge offers the perfect blend of comfort, sophistication, and natural beauty. Every Deluxe Room enjoys uninterrupted river views, allowing you to experience the same breath-taking landscape that captivated the famous explorer, David Livingstone, more than 150 years ago.

Perfect for honeymooners, couples celebrating a special occasion, or anyone seeking a memorable African getaway, the lodge provides an idyllic setting where every day brings new adventures.

One of the highlights of your stay is a guided tour of the **Zambian side of Victoria Falls**, where you'll witness the incredible power and beauty of one of the Seven Natural Wonders of the World. Feel the cool mist on your face as millions of litres of water thunder into the gorge below, creating one of Africa's most unforgettable sights.

As the afternoon unfolds, step aboard the elegant **Lady Livingstone** for a magical sunset cruise along the Zambezi River. Relax with a refreshing drink in hand while crocodiles bask along the riverbanks, elephants gather at the water's edge, and the African sky transforms into brilliant shades of gold, orange, and crimson. It's an experience that perfectly captures the magic of Victoria Falls.

When you're not exploring, unwind beside the riverside pool, indulge in a soothing spa treatment, or simply relax on your balcony while the sights and sounds of the African bush surround you. The lodge's central location also places you within easy reach of Victoria Falls' most exciting activities, including thrilling white-water rafting, scenic helicopter flights, wildlife safaris, bungee jumping, cultural experiences, and much more.
