Whether you're planning a romantic getaway, celebrating a special occasion, or simply looking to disconnect from everyday life, Lekkerwater Beach Lodge provides a truly unique escape where nature takes centre stage.

Set within the 34,000-hectare De Hoop Nature Reserve—often referred to as the "Jewel of the Western Cape"—the lodge overlooks an unspoilt stretch of coastline renowned as one of the world's finest land-based whale-watching destinations. During whale season (July to November), Southern Right whales migrate from Antarctica to calve and breed in the sheltered waters just offshore, offering guests incredible viewing opportunities from the comfort of the lodge.

Your beautifully appointed suite has been designed to immerse you in the surrounding natural beauty, with uninterrupted ocean views and a peaceful atmosphere that encourages complete relaxation. Here, luxury is found in the simple pleasures—endless sea views, fresh ocean air, barefoot walks along deserted beaches, and spectacular sunsets over the Atlantic.

Each day is filled with memorable experiences, from guided nature walks and coastal explorations to birdwatching and marine wildlife encounters. Keep an eye out for dolphins, seals, seabirds, and the diverse wildlife that call De Hoop Nature Reserve home.

After a day of adventure, return to the lodge to enjoy exceptional cuisine, unwind with your favourite local beverage, and relax while listening to the soothing sounds of the ocean. With no televisions or unnecessary distractions, Lekkerwater invites you to reconnect with nature, your surroundings, and each other.
